WHAT IS DENTAC?

“Dentac” short for the ‘The Dental Academy’ is a purpose built Dental training facility and academy located close to the heart of London.

Established in late 2012, Dentac aims to fill the void for a bespoke, affordable & quality dental educational experience for the **entire dental team**.

At Dentac, our focus is always on delivering dental training of the highest quality that is directly relevant to your everyday practice & will allow you to pursue excellence in every way.

We are the Academy run by Dentists for Dental Professionals & take pride in offering a bespoke service to our colleagues with the personal touch to meet your dynamic requirements.

WHERE ARE WE BASED?

Located close to the heart of London and only 15 minutes away from London Victoria station, Dentac is ideally located for ease of access from all parts of London and nationwide.

We are based in south west London and are only a 5 minute walk from both the Brixton underground and railway stations.

WHAT WILL WE PROVIDE?

- Practical **HANDS-ON COURSES & SEMINARS** for
 - Dentists
 - Nurses
 - Hygienists
 - Therapists
 - Technicians....

The entire Dental Team!

The format of our Hands-on courses will include:

- Full Day/half day/evening – Short courses
- 2-6 day Proficiency courses on key areas of Dentistry
- ‘Product specific’ demonstrations and hands-on practice
 - ‘Live theatre’ procedural demonstrations
 - Year long Certificate courses
- “Over the shoulder” Expert mentoring on your own patients
 - Courses for Nurses/Hygienists/Therapists/CDTs

Format of our seminars will include:

Core CPD Seminars

- **Medical Emergencies**
- **IRMER**
- **BLS/ILS**
- **Cross Infection**

In short we will provide comprehensive dental education that is

PRACTICAL, AFFORDABLE, RELEVANT and ENJOYABLE FOR ALL.

WHAT ELSE WILL WE PROVIDE?

A **bespoke service** for our fellow colleagues. If you tell us what courses you would like to attend, we will work with you in designing & delivering a course to suit your requirements.

Our facility will also be available for hire at competitive rates for anyone who wishes to utilise it throughout the year. If you are a course provider and would like a suitable venue and some assistance with promoting it then we are more than happy to help.

OUR FACILITIES

Our facilities are geared around holding practical seminars & patient centred courses for small groups of participants to ensure a highly focussed agenda for all those who attend our courses.

SEMINAR ROOM

Our fully air conditioned **SEMINAR ROOM** with the capacity to accommodate 20 participants, consists of a 51" High definition Plasma TV with full HDMI connectivity for live presentations and real-time tutor led video demonstrations.

TRAINING ROOM

Our fully air-conditioned **DENTAL TRAINING ROOM & SKILLS LAB** comprises 14 Dental stations including a tutor station.

Each station has the capacity for a fast, slow & straight hand-piece as well as a 3 in 1. The units all have a dental manikin installed which are compatible with Frasaco Jaws and teeth. The training room also comprises a 51" High Definition plasma TV for live tutor led practical demonstrations and presentations.

SURGERIES & LIVE VIDEO LINK

We have the capacity to utilise up to 5 fully equipped & functional dental surgeries for our courses with one of them consisting of an operating microscope & in-built HD camera that can relay the patient treatment live directly onto both the HDTV's present in the seminar & training rooms simultaneously. There is also a separate roaming camera functionality which can also relay entire treatment consultations live. Thus participants can view entire treatment procedures and consultations live onto wide screen TV's from the comfort of the seminar rooms as opposed to crowding around the dental chair. We also have full 2-way audio functionality allowing the participants to directly interact with the clinician as well as allowing him/her to deliver live commentary of the entire procedure throughout.

OUR SEMINAR ROOM

LIVE VIDEO LINK FACILITY

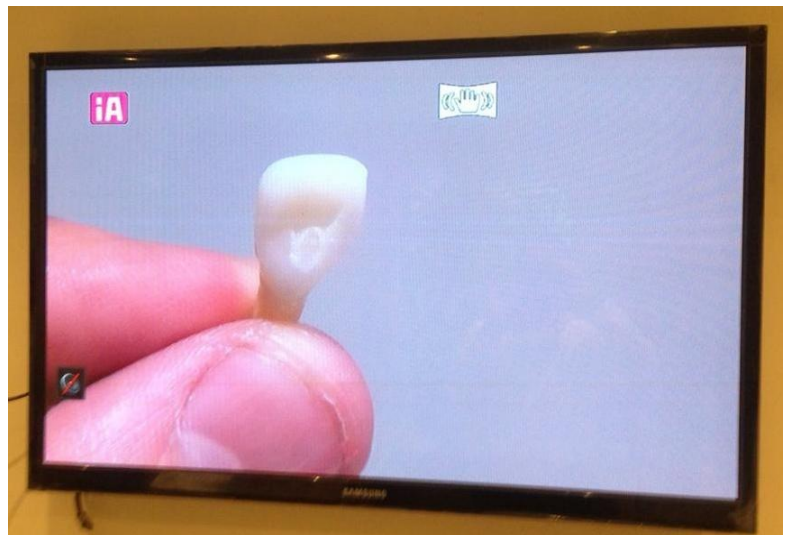

Video-Linked Dental Surgery

- Operating Microscope
- In built HD Camera on microscope
- Can relay 'live' patient treatment to:
 - SEMINAR ROOM
 - TRAINING ROOM
- Separate camera connectivity for live Consultation relay

Live High-Definition display

- HD Quality Image
 - No loss of image Quality despite distance from Surgery
- No need to crowd round patient
- Viewed from comfort of separate room

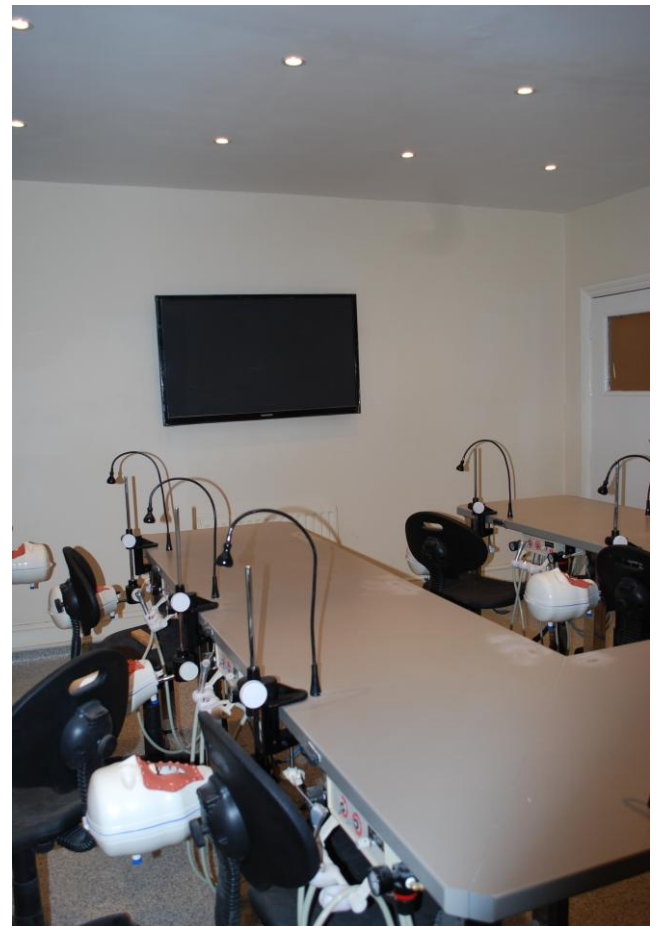

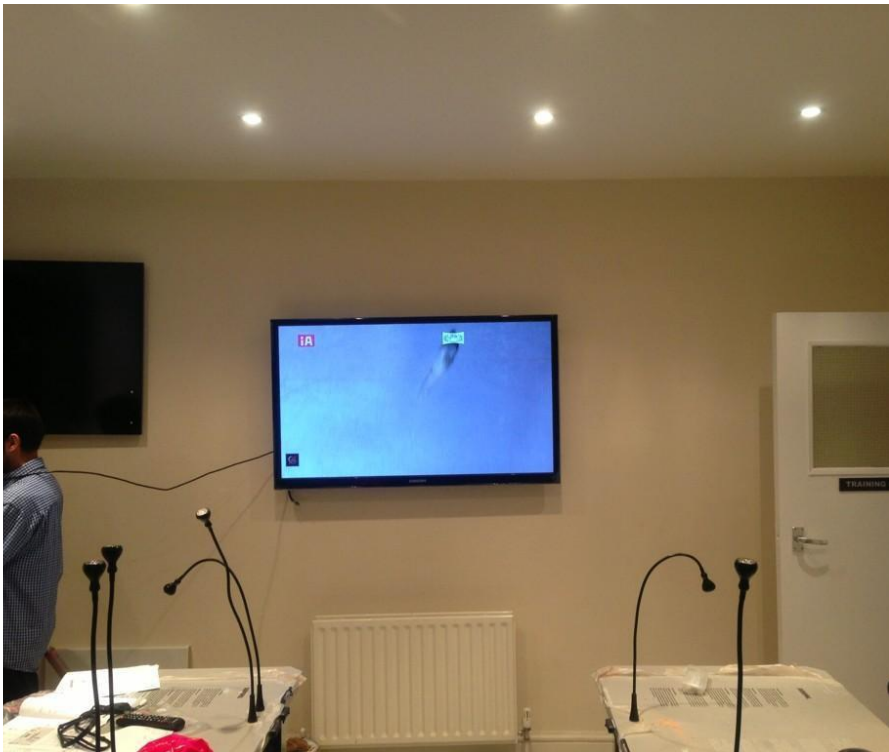

Live Audio link for 2 way communication & real-time commentary
